## engagements

Your wedding day is one of the most important days of your life. Making you feel comfortable and looking your best is what I strive for. Shooting an engagement session not only gives you a beautiful set of pictures to cherish, but also allows you to experience what your photography will be like on your wedding day.

I love capturing the “in-between” moments, the candid shots that bring out the raw emotions surrounding your special day. These are the moments that make up your story. So give me a shout. Let's be friends and get to know one another!

# what to expect

I'M THERE TO CAPTURE THE JOY, LAUGHTER, EMOTION, AND BEAUTY OF YOUR WEDDING DAY. I LOVE IT WHEN MY COUPLES RELAX, GO WITH THE FLOW, AND ENJOY THEMSELVES.

Eloping is all about creating a deeply personal and intimate experience for you and your partner, and I'm here to capture every precious moment. Expect a celebration tailored to your unique preferences, focusing on your love and commitment. The simplicity of an elopement reduces stress and offers incredible flexibility, allowing you to choose a meaningful location and craft a ceremony that reflects your personalities.

You'll enjoy intimate, heartfelt moments without the pressure of accommodating a large group, and you have the freedom to incorporate adventure and spontaneity into your day.

As your photographer, I will be with you every step of the way, ensuring that every detail is perfect. From scouting the perfect location to capturing your vows, my goal is to make your day as magical as you envision. I'll provide guidance on meeting legal requirements and help you plan your post-elopement celebration if desired. By choosing to elope, you're embarking on a unique journey that prioritises your love story. Together, we will create beautiful, lasting memories that you will cherish forever.
